

TXONTA AND OTXARKOAGA GET RENOVATED

WE HELP YOU RENOVATE YOUR BUILDING

This project has received funding from the European Union's Horizon 2020 research and innovation programme under grant agreement No 846707.

**TXONTA
OPENGELA**

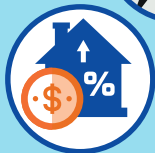

WHY SHOULD I RENOVATE MY BUILDING IN AN INTEGRATED WAY?

› BECAUSE IT WILL IMPROVE THE QUALITY OF LIFE AT HOME:

- A more accessible and safe living place.
- Because I will have a healthier indoor environment without humidity problems and with lower risks of suffering illnesses (asthma, rheumatism...)
- Fresher in summer and warmer in winter.
- Better insulated against external noise.

› BECAUSE ITS VALUE WILL INCREASE.

› BECAUSE I WILL IMPROVE MY MY COMFORT AND SAVE ENERGY

- › **Yes**, the Basque Government and the Council have made available instruments to:
 - Carry on Technical Inspections of Buildings if lacking.
 - Security against fires.
 - Universal Accessibility (elevator installations, etc.).
 - Improvement of Energy Efficiency on the building envelope, roof insulation and other areas.

› **Yes**, I will receive financial aid if the community of owners of my building agree to promote these actions.

› **Yes**, there is complementary help for homes with lower incomes.

› **Yes**, financing will be facilitated.

WILL I RECEIVE

FINANCIAL HELP ?
